The school fielded seven teams with one of the Year 7 teams triumphant overall securing the district trophy for a second successive year. Coralie said: "The best thing about the tournament was not necessarily the fact that we won but seeing so many girls take part in physical activity and enjoy it so much."

The Senior Boys team and the Junior Boys team won every race in the series. Indeed the school's representation was so strong that the Junior Boys 'B' Team finished runners-up in the league. Head teacher Paul Banks was delighted with the success. He said: "The performance of all our teams is something that every student taking part should be very proud of. "As well as individual success for Cody, each runner has to finish in as high a place as possible to ensure the highest points for the team. "Team success depends on the contributions of all eight runners in each category so to win in three out of the four leagues shows the determination and skill of all our runners."

RUGBY: West Hatch retains Year 9 District Cup

2.38pm - 3rd November 2011

YEAR 9 rugby players at West Hatch High School, Chigwell, have retained the District Cup with a 17-14 victory over Stewards School, Harlow.

Coach Ray Flowers, who is also PE teacher and the school's rugby co-ordinator said: "It was a tight and frankly very intensely fought competition between the two strongest sides in the district for the past two years."

West Hatch took an early lead when new midfield partnership of captain Morgan Brown and Jed West (Year 8) made a break to Ross Stewart for his 12th try of the season. After a scrappy period of play Jed West, playing a year above himself, scored his fifth try of the season for the Year 9 side.

Freddie Bright kicked the conversion to give West Hatch, who had four debutants in their line-up, a 12-0 half time lead.

Stewards scored one try before Ross Stewart scored a "wonder try" in the corner. Stewards then landed another try in the penultimate phase of play to spark a nervous few minutes before the celebrations could begin.

Max Lyons was awarded the man of the match award.

The West Hatch Year 9 team is now hoping for further success having reached the quarter-finals of the Essex Cup.

PETANQUE: Epping Horizons seal victory over Ongar

2.38pm - 3rd November 2011

By Peter Lumb

EPPING Horizons Petanque Club played host to a side of eight players from Ongar- and were victorious winning 12 of the 16 matches.

Ongar had previously played socially with Epping in July and felt their play had subsequently improved sufficiently that they would challenge Epping to a match. The event was played as a doubles competition, the four4 teams from each side playing each other over four rounds.

The demand to take part by the Epping members was so great that each Epping team consisted of three players who therefore played with two boules each (instead of three). The Ongar players are all relatively new to the sport and found they still had much to learn from the Epping side whose players are mostly very experienced.

However Ongar's 'B' team of John Innocent and Ken Glendenning won three of their four matches - a fine performance which is an indication of Ongar's future potential. Epping's top team, winning all four of their matches, was composed of Joyce Weston (club secretary), Margaret Turner and George Durno who have over 40 years playing experience between them and were just too strong for their opponents.

After the match, which was played in the most friendly of spirits, the players made for the Garnon Bushes pub, Coopersale, where the visitors kindly insisted on treating the home side.

The occasion had been so enjoyable that it was agreed we should continue our association with each other and that we might play for a trophy in the future. Anyone interested in playing petanque, which is played out of doors throughout the year (weather permitting), can contact Peter Lumb 01992 571744 (Epping) or Carolyn Innocent 01992 522377 (Ongar).

INDOOR CRICKET: Six-a-side league underway

9.49am - 25th October 2011

THE Metropolitan Essex District Cricket Board Indoor Six-a-Side League is now in full swing with most teams having played their first matches.

A full programme of matches are held at three local venues - The Peter May Centre Walthamstow; Bancroft's School Woodford Green; and the new Frenford Clubs Centre, Jack Carter Pavilion at The Drive Ilford - on Friday nights and Saturday mornings.

Sky Sports visited earlier this month and were amazed to find teams playing indoors when it was so warm outside.

There are 80 junior teams and 46 adult teams competing in ten junior divisions and four adult divisions with between 750 and 1,000 people taking part. Most are aged between 11 and 25.

The league is grateful to the Jack Petchey Foundation and Capital Social Care whose sponsorship means that the costs for young people who wish to play are reduced.

The results and achievements with league tables are all published weekly on the Met website www.essexcricketboards.org.uk and will be featured on Everything Epping Forest.

PETANQUE: Club hosts autumn doubles competition

7.21am - 11th October 2011

SIXTEEN players took part in Epping Horizons Petanque Club's autumn doubles competition.

Three members assisted in the running of the competition which featured seven timed rounds over two-and-a-half hours.

After four rounds it appeared that Ivor Bell (treasurer) and Chas Doncaster would run away with the trophy having three wins and one draw to their credit. However their challenge faded as Joyce Weston (secretary) and Roy Smith succeeded in winning their last three rounds and won the cup by the narrowest of margins.

Special mention must also be made of Ida Burrows, who will be 100 next January, who played all seven rounds on the hottest of days and who, with her partner Babs Doncaster, came a very creditable fourth recording three wins and one draw.

The club, which plays on Stonards Hill recreation ground, Epping, twice a week, has increased its membership by eight over the past year.

There is room for a few more members, and anyone interested should ring Peter Lumb on 01992 571744 to arrange for up to three 'taster sessions' (free of charge and with boules provided).

Free parking is available in the Stonards Hill car park.

TENNIS: Award presented to club coach

2.02pm - 1st September 2011

THE AEGON Coach of the Month award has been presented to Matt Smith from Epping Tennis Club.

Head coach Matt, a qualified LTA Senior Club Coach - Level 4, was successful in getting the prestigious LTA AEGON Coach of the Month award for July.

The award goes to the person thought to have had the most impact on British tennis

A club official said: "Matt is a great coach and has increased getting more young people and adults playing and competing at the club.

"He has given many young people the opportunity to play and runs a great junior programme on Saturday mornings and throughout the week.

"He is an excellent coach who really drives young people and adults in improving their game from beginners level to elite."

Matt has also helped the club establish links with five local primary schools, a secondary school and motivated young people from The Box Education Programme in Epping, encouraging young people to start playing tennis and continue at the informal setting of the tennis club.

Matt will be giving coaching with Epping Forest District Council's sports development section and will be delivering tennis coaching in the community at Epping Sports Centre. Earlier this year Matt organised a coach trip to Wimbledon via funding supported by Essex County Council's Youth Opportunities, and more than 70 young people and their families were given a tour around Wimbledon's tennis centre.

He also has started a Cardio Tennis programme which is a great way of improving fitness in a fun healthy way.

'FROM THE BOUNDARY' with BBC Essex commentator Dick Davies

6th June 2011

ESSEX have had mixed fortunes recently.

Owais Shah, making his Essex first-class debut against his former team Middlesex at Chelmsford, immediately impressed with an authoritative 96 in Essex's first innings but failed to score in the second as his new team were eventually grateful to settle for a draw when still 110 runs short of victory with only three wickets in hand.

Two days later they made the trip down the M4 to Bristol to play Gloucestershire in the County Championship and again returned with a draw. David Masters, Essex's most successful bowler by far, took 5-48 as the hosts made 255.

In reply Essex gained a lead of 66 with all the batsmen except Ravi Bopara making significant contributions, none more so than Adam Wheater's highly promising 69. When the home side batted again, they seemed to be in trouble at 209-8, a lead of only 143 with about 35 overs of the match remaining but an unbroken partnership of 101 then put the game out of reach and both sides settled for the draw.

The following day, this season's 20/20 campaign began for Essex against Sussex at Hove under floodlights.

The match witnessed the debut for Essex of their two New Zealanders, Scott Styris and Tim Southee, but the early onslaught by the Sussex top order quickly helped to put the contest out of reach as they amassed 173-4. In reply, Styris made a belligerent 47 for Essex but this proved to be more than twice that scored by any of his colleagues as they were bowled out for a very disappointing 141 to lose comfortably. In sharp contrast Essex immediately bounced back at Chelmsford when they annihilated Gloucestershire in the same competition by 122 runs.

The final five overs of the hosts' innings added 71 runs with Styris (again) and Ryan ten Doeschate especially impressive as they pushed the final total to 204-4.

None of visitors' first three batsmen scored a run and they were bowled out quickly for a very modest 82 in the 14th over to give Essex a very easy and comprehensive victory.

CRICKET: Club holding summer camp for girls

25th May 2011

GIRLS from across Essex and London are invited to play cricket at a special MCC Spirit of Cricket summer camp at Loughton Cricket Club on Monday and Tuesday, August 15 and 16.

Coached by international cricketers Charlotte Edwards, Beth Morgan and Lydia Greenway and costing just £15, the two-day camp is an opportunity for local girls.

Open to girls of all abilities aged eight to 14, the camp will provide a fun environment to either try the game for the first time, or further develop their skills in the core elements of batting, bowling and fielding.

The summer skills camps are all part of a special link between the Cricket Foundation's 'Chance to Shine supported by Brit Insurance' campaign and Marylebone Cricket Club (MCC), to deliver the MCC Spirit of Cricket message to youngsters.

Chance to Shine is the Cricket Foundation's charitable campaign to regenerate competitive cricket in state schools.

Since its launch in 2005 the campaign has equipped over one million of children across England and Wales with essential cricketing skills.

This summer alone up to 500 girls are expected to enjoy MCC Spirit of Cricket summer holiday cricket camps across the country.

Cliff Greenhill, club manager at Loughton Cricket Club, said: "It's a great boost for girls from the local area to have England women's players to inspire them.

"Through Chance to Shine many youngsters, and girls in particular, are given the opportunity to play cricket in schools and clubs.

"The MCC Spirit of Cricket summer camps provide an extra chance for girls to play the game and are a great way to enthuse girls about cricket."

Wasim Khan, chief executive of The Cricket Foundation, said: "The MCC Spirit of Cricket summer camps are a great opportunity for local girls to play cricket, regardless of whether they've played before or not.

"The camps offer girls the chance to meet international female cricketers and be inspired by their passion and skill for the game whilst having lots of fun.

"We're delighted Loughton Cricket Club has made the delivery of this camp possible."

The Cricket Foundation and MCC believe team sports - and cricket in particular - can help young people to develop positive life skills like being part of a team and learning to lead, discovering how to win, to lose and to cope with setbacks.

'FROM THE BOUNDARY' with BBC Essex commentator Dick Davies

23rd May 2011

ESSEX had to content themselves with a high-scoring draw away to Surrey at the delightful Whitgift School ground in the County Championship.

Having lost the toss, Essex were asked to bat first on a tricky wicket but a priceless 63 from Alastair Cook laid the foundations for the middle order to make hay in the sunshine as

the conditions eased after lunch. Matthew Walker and Adam Wheeler added 131 for the fourth wicket with scores of 76 and 64 respectively and by the close the visitors were handily placed at 318-6. The second day saw history made as Graham Napier blitzed an astonishing 196 off 130 balls including a record-equalling 16 sixes as, helped by the resilient Chris Wright, Essex finally totalled 548. With the Surrey captain then making 159 and three other batsmen scoring fifties, when Essex batted again they had only established a lead of 42 runs on first innings. At mid-afternoon on the final day Essex were perilously placed at 222-8, an overall lead of 264 with about 55 overs still to be played. However Tim Phillips came to the rescue with a valuable 58 as the last two wickets added a further 102 runs and, equally important, used up important overs. Wright and Maurice Chambers also made significant contributions to put the match out of Surrey's reach. Needing a nominal 367 to win off just 27 overs, the captains called a truce with the hosts 65-1. On Sunday Essex continued their unbeaten season in the CB40 competition with a comprehensive eight-wicket victory over the Unicorns at Chelmsford.

'FROM THE BOUNDARY' with BBC Essex commentator Dick Davies

15th May 2011

ESSEX had a frustrating trip to Cardiff where Glamorgan were restricted to 222-7 in a 40-over match but then the heavens opened mercilessly and Essex did not have an opportunity to post any reply. Two days later, at Bury St Edmunds, they comfortably defeated the Unicorns in the same competition. Tim Phillips returned the splendid figures of 5-28 as the Unicorns were bowled out for 137. Despite a very lively pitch, which saw batsmen hit on the helmet on six occasions all at the same end of the wicket, Alastair Cook, Ravinder Bopara and, especially, Mark Pettini all batted doggedly and courageously as Essex won by eight wickets with six overs in hand. If the elements could have been seen to have deprived Essex of likely victory in Cardiff, they most certainly came to the rescue at Derby in the four-day Championship fixture last week. The visitors were "invited" to bat first on a very green wicket and after an hour and a quarter had slumped to 43-5. A partnership of 109 between James Foster (62) and Matthew Walker (56) saw Essex reach 179 but this was well below par. David Masters then bowled superbly to take 5-71 but Derbyshire's first innings of 288 meant Essex batted again 109 in arrears. Jaik Mickleburgh's 64 and Bopara's well-crafted 119 were the main contributors to their team's final score of 331 which left the home side with 223 to score if they were to win the match. Masters again struck early as the hosts teetered on 26-3 but an excellent recovery by the middle order batsmen saw Derbyshire apparently coasting to victory until, with only 21 further runs required and four wickets in hand, a thunderstorm saturated the ground to leave the home side frustrated and Essex relieved.

The visitors' score was boosted by 75 from [Rizwan Sadig](#) most of which came in boundaries while Merv Westfield's undefeated 104 was the foundation of Wanstead's successful run chase as they won by three wickets. In reply, in a limited overs match, the home side scored 229-9 to lose by 65 runs, despite 60 not out from Will Rogers and 69 from Rob Leiper. GOLF: Eastenders star at charity event

13th May 2011

EIGHTEEN teams took part in the Chigwell Golf Club Pro-Am tournament which raised money for the Wooden Spoon charity. Every year as part of the PGA East Region calendar, the Chigwell club hosts an Invitational Pro-Am event with members and local clubs invited to enter teams. An individual professional event runs alongside the team event which is supported by PGA Professionals from the south east. For the past two years the event has supported the Chigwell Golf Club captain's charity which this year is the Wooden Spoon Charity dedicated to helping underprivileged children

and young people all over the UK and Ireland to live happier, richer lives. The golf was followed by an evening carvery dinner and charity auction which raised a substantial sum for the charity. Items up for grabs included a limited edition Ryder Cup iron set, signed Rio Ferdinand football shirt and a couple of golf trips. Chigwell member and past Essex County captain David Miller invited his long-time friend Larry Lamb to be the auctioneer. Larry has recently starred as 'Archie' in Eastenders and Gavin's dad Mick in Gavin and Stacey. The 18-hole team event was won by a team of Chigwell members. Past captain Richard Harrison, chairman Michael Wood and Richard Vass scored an impressive team score of 12 under par in windy conditions to take first place. Current club captain Peter Hearn found he had to award himself a prize, as his team was placed third. The event has already attracted interest for next year. Anyone wanting to enter a team, reserve a space, or be part of the day in some way, can contact event organiser and PGA Teaching Professional Barry Middleton on 020 8500 2384.

IN local club cricket last weekend South Woodford lost to Colchester in the Essex Cup but Woodford Wells comfortably beat Wickford by six wickets with Will Rogers making 75. Thanks mainly to Mike Peacock's 69 and Rob Petchey's 5-31, the local derby saw Wanstead, winners of the cup for the two previous seasons, lose by 51 runs to Buckhurst Hill who will be away to Upminster in the next round: Woodford Wells will travel to Shenfield for their match.

In the first matches of the season in the Herts and Essex League, Epping Foresters defeated Newport by 14 runs, Nazeing Common beat South Loughton by nine wickets and Theydon Bois trounced Ilford Catholics by 156 runs.

The relevant matches this weekend are: Harlow Town v Nazeing Common, Ilford Catholics v Epping Foresters, Langley v Theydon Bois and South Loughton v Farnham.

The Essex league season starts this Saturday (May 7), in the Premier Division, South Woodford and Wanstead are at home to Chelmsford and Hainault & Clayhall respectively while Loughton and Woodford Wells are, in turn, away to Ardeleigh Green and Brentwood. In Division One, Buckhurst Hill travel to Harold Wood and Division Three sees Woodford Green at West Essex while Ongar and Epping host Benfleet and Basildon & Pitsea respectively.

The Bank Holiday weekend was most certainly a time of festivity for Essex at the County Ground in Chelmsford.

While hundreds of thousands were celebrating "the wedding" on Friday, a smaller but equally enthusiastic crowd were witnessing Essex's first win of the season as, having been on the receiving end for three days, they ultimately beat Glamorgan at Chelmsford by six wickets.

This was thanks mainly to Alastair Cook's 79, followed by heroics from Matthew Walker and Ravi Bopara who, in a partnership of 217 for the fourth wicket, made 97 and an undefeated 136 respectively.

Nottinghamshire posted a competitive 287-7 in the CB40 match on Sunday but Essex paced their reply superbly with Cook making a further 96.

All the batsmen made significant contribution and Essex won by seven wickets with an over to spare.

An opening partnership of 87 in 14 overs by Monday's visitors, Lancashire, flattered to deceive.

As a result of Lonwabo Tsotsobe's splendid 4-43 and Bopara's 3-49, the men from Old Trafford could only muster 190 and Essex had little trouble in scoring the necessary runs with Bopara and skipper James Foster both making seventies in a stand of 135 as the side again won by the very comfortable margin of seven wickets.

The 40-over campaign continues this weekend as Essex travel to Wales for a floodlit match against Glamorgan at Cardiff on Friday evening followed by the much shorter trip to Bury St Edmunds where they take on the Unicorns on Sunday.

Championship cricket returns on Tuesday for the start of the four-day match at Derby.

IT really is better to draw a thick veil over Essex's performance at Lord's where they were ignominiously beaten by Middlesex in a match which only lasted until 11.42am on the third day.

They suffered a heavy eight-wicket defeat after having been bowled out twice on the second day, the first time they had suffered such an indignity since August 1998! However, one of Essex's charms over many years has been their ability to bounce back from adversity and, although they must have found the Lord's experience somewhat chastening, they would nevertheless have been heartened by Reece Topley's second five-wicket haul in only the same number of championship matches and by Tom Westley top scoring in each innings.

The wicket at Wantage Road, Northampton, is known to be a batsman's paradise and so the next fixture was expected to be a good opportunity to regain some batting confidence. Westley had returned to Durham University to pursue his academic endeavours so his place was taken by former captain Mark Pettini while seam bowler Maurice Chambers was rested to accommodate the new overseas signing, South African Lonwabe Tsotsobe, and Tim Phillips replaced Chris Wright.

Essex won the toss in glorious weather and centuries from Alastair Cook and Jaik Mickleburgh, ably assisted by James Foster's 64, saw the side reach 433 just before lunch on the second day.

Essex "old boy" Stephen Peters made 105, Chaminda Vaas and Niall O'Brien each fell four short of further centuries and the hosts established a lead of 105 on first innings before declaring late on the third day to leave Essex an awkward seven overs which they successfully negotiated.

Essex were still 23 in arrears when they lost their fourth wicket twenty minutes before lunch on the final day and the likelihood of a third consecutive championship defeat was looming.

However Pettini and Matthew Walker had other ideas and they scarcely offered a chance as they stayed together throughout the afternoon session and were still in an unbroken partnership of 147 in 52 overs when the captains agreed to accept a draw.

Although Essex are languishing at the bottom of the table, most of the batsmen have made significant contributions with only Ravinder Bopara not registering even a half-century so far as he lies in ninth place in the team's batting averages!

In local cricket, teams were playing in the Shepherd Neame Essex League Cup. Loughton, Epping and Ongar lost to Romford & Gidea Park, Old Brentwoods and Belhus respectively but Woodford Wells beat Walthamstow by 17 runs thanks in part to 60 from Robert Marshall.

The most exciting match was at Roding Lane where Buckhurst Hill defeated Chingford by just one run!

In cup action this coming Saturday, Woodford Wells are at home to Wickford and South Woodford host Colchester while Buckhurst Hill make the short journey to Wanstead. In the Hertfordshire and Essex League the opening encounters see Epping Foresters at home to Newport and Nazeing Common hosting South Loughton.

CANOEING: Olympic venue to host world championships

17th April 2011

THE 2015 Canoe Slalom World Championships will be held at the Lee Valley White Water Centre on the outskirts of Waltham Abbey.

A rival bid was made by the French Canoe Federation but the announcement means the championships will be returning to British waters for the first time in 20 years.

British Canoe Union chief executive Paul Owen said: "The British Canoe Union is extremely proud and excited to have been awarded the 2015 Canoe Slalom World Championships at Lee Valley White Water Centre.

"We are fully committed to delivering a world class event on behalf of the International Canoe Federation.

"I would like to thank our partners for the fantastic support the British Canoe Union has received in preparation of the bid, especially that of our Government, Lee Valley Regional Park, and UK Sport who all played a substantial part in the bids success.

"I am convinced the 2015 Canoe Slalom World Championship will be a fantastic event, providing an excellent opportunity to showcase our sport worldwide."

A contributing factor in the decision to award the championship to Great Britain was to ensure the legacy of the state-of-the-art white water stadium post the Olympic Games. Lee Valley and Canoe Slalom are the first 2012 legacy venue to have won a World Championships.

Shaun Dawson, chief executive of Lee Valley Regional Park Authority, said: "We are delighted to host the world championships at Lee Valley White Water Centre.

"The competition allows us to see legacy in action and raise the profile of this exciting sport to a wider audience.

"We are looking forward to hosting the event and bringing an international audience to the centre in 2015."

'FROM THE BOUNDARY' with BBC Essex commentator Dick Davies

Welcome to the new 'From the Boundary' column written by BBC Essex cricket commentator Dick Davies.

IN common with all the other counties, Essex went into the new season with their spirits re-invigorated and heightened expectations of success in the coming summer months.

In its typically capricious way, the fixtures computer had determined that Essex's opening encounter would be at Chelmsford's County Ground against Kent, the team who accompanied them on the downward path to the second tier of championship cricket at the end of last season.

It is 17 years since the county town last witnessed the host side beating their neighbours from across the Thames in a first-class match so the omens were not too encouraging and there was further cause for concern when the visitors won the toss and chose to bat first. However, with just the fourth ball of the new season, former Kent player David Masters dismissed captain Robert Key by bowling him for a duck with the batsman apparently playing the ball well enough only to see it trickle back onto his wicket.

Just two Essex players have made their championship debuts at an earlier age than Reece Topley but, in his first over, the tall 17-year-old left-arm pace bowler uprooted Joe Denly's off stump: he later dismissed Alex Blake in identical fashion. Sam Northeast registered a workmanlike century as Kent were all out for 247, with the last three wickets adding more than 100 runs. By the close of the first day, Essex had staggered to 49-6 in reply and the writing was on the wall! Skipper James Foster batted superbly the following morning and guided his side to 210 which was considerably more than seemed likely overnight. Topley eclipsed his earlier performance in the Kent second innings taking 5-46 as the visitors made 238 to leave Essex needing 285 in nine hours to record the victory. Billy Godleman made a well-crafted 58 but when the final day dawned Essex still needed 87 with only four wickets in hand. In what proved to be an anti-climax, only ten overs were required as 29 more were added for Essex to lose by 57 runs. It was disappointing that neither Alastair Cook nor Ravinder Bopara contributed significantly to the match but those who were there may well have witnessed a new star in the making - Reece Topley!

In local club cricket, South Loughton are preparing for their opening league encounter at Nazeing on April 30 while, a week later, Ongar and Epping begin their seasons by hosting Benfleet and Basildon & Pitsea respectively.

BBC Essex provides ball-by-ball commentary on every Essex game this season with championship matches broadcast online at www.bbc.co.uk/essex. There are also hourly updates into news and sports bulletins. The 40-over one-day matches are also being broadcast on medium wave 729/1530MW with the Twenty20 matches on 729/765/1530MW, online and on DAB.

HOCKEY: School enjoys Dublin tour success

1st March 2011

SIXTEEN under-13s boys' hockey players at Chigwell School have returned after a four-day tour to Dublin. The annual tour helps the year group in its transition from seven-a-side to 11-a-side hockey. The boys played three matches - winning two and losing one - against the strongest schools and club sides Dublin has to offer. There was also time to go on a tour of the impressive Aviva Stadium. After disappointingly losing 6-0 to Monkstown Hockey Club the team responded with a 5-3 win over Pembroke Hockey Club. Going into the last 15 minutes with the score at 3-3 a great cross by Sonal Ohrie was deflected into the net by Daniel Whitehead and Alex Drew quickly added a fifth to secure the victory. The hockey highlight of the tour was the final match against St Andrews College, one of the top sporting schools in Dublin. The game was played with incredible passion by both teams and the final result was again a 5-3 win. James Stedman, Chigwell's head of boys' hockey, said it was one of the most enjoyable games he ever witnessed since working at Chigwell. Daniel Whitehead was man of the match for two electrifying 50m runs, one of which created a goal for Joe Klein and the second created a penalty stroke, converted by Jamie Colton. The goal of the tournament was scored by Tom Martin who was at the back post to finish a brilliant team goal. Tom responded with what became his trademark 'Jose Mourinho' celebration, sliding on his knees in front of the dugout, with Mr Stedman frantically running to capture the moment on his camera! At the end of the tour many awards were presented including players of the tour to Jamie Colton and Sonal Ohrie. Most improved players were Kayden Chahal and Henry 'Paddy' Gard and Team Player of the tour went to Tom Clapham as he typified the boys' excellent competitive attitude throughout. Harry Butler finished top goal-scorer with three goals while Payaam Kapur was declared 'Goalkeeper of the tour' despite originally coming on tour to play on pitch.

HOCKEY: Chigwell boys crowned Essex champions

1st March 2011

CHIGWELL School's under-13s boys' hockey team have reached the east rounds having been crowned Essex champions in the National Schools Hockey Cup. The tournament, at Redbridge Sports Centre, saw Chigwell play six matches against a variety of different schools in Essex in a 'round robin' format with the top two schools qualifying for the east rounds. Chigwell won five of their six matches, scoring 26 goals and conceding only three. The crucial game was the last one, where only a victory against Felsted would do and, after being 1-0 down, the boys responded brilliantly by winning 3-1. The team will now be defending the trophy won by the current under-14s last year. A school spokesman said: "This is a fantastic achievement and one the boys can be very proud of."

CRICKET: Beth, 17, set for England debut

8th November 2010

CHIGWELL School A-level student Beth MacGregor is poised to play cricket for England after being called up for the women's side for the November tour of Sri Lanka. At the age of 17, Beth has spoken of her shock at the phone call from head coach Mark Lane. Beth told the Essex cricket website www.essexcricket.org.uk: "I was out shopping at the time. It took a while for it to sink in, I was like I'm actually going to Sri Lanka with England, and it's a bit weird."

"I knew I may be in contention, but I didn't necessarily think I'd get picked because there are a lot of good players around at the moment."

The opportunity arose through a number of players missing out on the tour because of injury or other commitments, such as Katherine Brunt, Holly Colvin and Sarah Taylor. MacGregor was called up to the tour of New Zealand in the summer but was not handed her international debut.

She is now hoping this will be her time and a chance to show her potential on the big stage - hopefully be in one of the two one-day internationals or three Twenty20 games in Sri Lanka.

She said: "You have to be ready, otherwise there's not much point in going out there. I'm in the squad so I'm in contention and if I'm not ready there's not much point in me going, so I'd say I'm ready."

Although selected primarily as a bowler, MacGregor's position at number five in the Essex batting order suggests she is more than capable with the bat.

"One of the knocks I'm more proud of is the 108 not out I got this year for Essex against Worcestershire."

"I went in and we were 20-3 and quickly we were 30-5 and I managed to get us up to 226."

Beth has to split her cricket commitments with her education which can be difficult but she said she is receiving the necessary support.

"They're very supportive and I've got lots of teachers helping me out. I'm missing November exams and things like that but the teachers have been very good and sorted me out so I can do a lot of the work before I go."

"At the moment I'm still only 17 and there are a lot of ifs and buts. First and foremost I want to get my education and I would be interested in going to university."

"At the moment I've got to make sure I get the right education and that I've got something to fall back on just in case."

This aside, Beth is fully focused on her personal cricketing goals and targets, starting with the tour of Sri Lanka that should hopefully see her make an international bow for her country.

"Getting my first cap would be very good" she said.

"And within that I'd like to have made an impact and not just be another player, to have actually shown I'm good enough to be part of the team."

FOOTBALL: Success for Chigwell School

1st October 2010

CHIGWELL School's 1st XI beat Norwich in the first round of the ISFA Cup. Chigwell opened the scoring through Joe Chappell but then went on to concede from the spot and in open play to see them fall 2-1 behind at half-time. FOOTBALL: Under-15s net cup success

1st October 2010

CHIGWELL School's under-15s are through to the second round of the ISFA Cup after beating Kimbolton 2-1.

It proved to be an even game in which Kimbolton went ahead probably against the run of play through Nat Knell but Chigwell replied with an excellent finish from Rory Taylor after some good interplay had released him.

Both teams created good chances to win the game in the second half but it was Rory Taylor who netted the winner from a corner.

Both teams must be congratulated on their spirit throughout the game and it was certainly a very evenly match, competitive game of football.

In the under-16s cup, Chigwell will take on Kimbolton on Tuesday, October 19.

FOOTBALL: School hosts festival

1st October 2010

NINETY boys from Forest, John Lyon and Chigwell schools took part in the first annual under-12s nine v nine football festival at Chigwell School.

The event was split into two nine v nine and one seven v seven matches for the A, B and C teams.

Each side played each other school twice during the afternoon, which saw some fantastic football played.

There were many positive comments from parents, coaches and pupils, who thoroughly enjoyed the relaxed afternoon and it was also noted that the standard of football was very high.

Many pupils commented that they had more space to play and therefore were much more confident with the ball.

The format could be replicated with two, three or even more teams and it also gave the opportunity for those boys that may not necessarily play much football to do so in an ideal environment.
